# INTRODUCTION

Received "Uttarakhand Ratan Award"  
From Governor

*Vision: "To Serve Mankind through Education".*

**Mission:** To develop Uttaranchal (P.G.) College of Bio-Medical Sciences & Hospital, into a center of excellence, by imparting quality education, to generate competent, skilled and humane manpower.

## INFRASTRUCTURE

To support the academic pursuit, the institution is well equipped with infrastructural facilities and academic resources. Classrooms are equipped with LCD projectors and sound system. The conference and seminar halls are fully air conditioned along with state-of-the art audio visual devices. The college has air-conditioned computer laboratory with WiFi enabled. The college has well stocked, air conditioned library with on-line access to books and journals through digital processing as well. The college laboratories are complete with modern equipment and a regular up gradation system. The college has a comfortable and hygienic canteen, cafeteria and mess as well as guest room and facility of in-campus hospital.

## Faculty

The institution supports the thinking of  
"Knowledge is power".

The teachers at UCBMS&H come from diverse backgrounds with a plethora of skills and a huge knowledge base. Our faculties hold the highest qualifications in their respected fields and have immense experience in both academics and practical exposure. Besides teaching, the faculties are also actively involved in research, consultation and conducting faculty development program for the academic and industry professionals. We have a team of expert advisors who guide and motivate our college faculties.

## ACADEMIC ACTIVITY

In UCBMS&H, we ensure the practical aspects of theoretical teachings which are supplemented by field visits and excursions so that student are updated to face new challenges. The Students are also provided with an opportunity to participate in live projects to enrich their calibre and capacity. The Student are provided with the opportunities to participate and be a part of organizing body in National seminars and Workshops organized by college. The faculty of the college takes special interest in motivating, guiding, supervising, updating and enhancing various research work.

## EXTRA-CURRICULAR ACTIVITIES

The college offers a wide range of facilities for co-curricular and extra-curricular activity. These are platforms for peer group interactions, personality development, communication skill to built confidence amongst the students through various clubs etc.

The college in each of these clubs encourages participation from all the students. It is the intent of the college management through this policy to encourage students to exhibit their inherent talents and capacities to promote and inculcate a sense of team work.

## AWARDS & SCHOLARSHIP

Incentive does not necessarily imply monetary benefit alone but also creates a feeling of competitiveness in healthy spirit to outshine oneself. To achieve this objective UCBMS&H proposes to award scholarship to those meritorious students who demonstrate an exemplary behavior in the campus, active participation in extra curricular activities and high scores. Deserving students are offered incentives by fee concession on means - cum - merit bases. Keeping with its tradition

of encouraging merit at all Levels, UCBMS&H has also introduced special Scholarship- Mrs. Pushpa Warne fellowship Program, in the honor of late Mrs. Pushpa Warne for meritorious students.

## SOCIAL COMMITMENT

We all are social elements thus no organization can remain un- affected by its social surrounding environment for a progressive and meaningful growth, a healthy social environment by practicing and promoting a sense of social responsibility at education level, we actually contribute to the upcoming generation of society.

UCBMS&H is committed to combine academic study with community service. Social commitment is a part of our core vision. To us social responsibility means active responsibility towards our students, employees, the environment and the community in which we live and work. UCBMS&H firmly believes that being a part of society and a capable mentor, we should step forward towards betterment of society.

## ACCOMMODATION

Separate hostels are provided for girls and boys inside the campus. Student are provided with adequate facilities to make them feel at home. Their stay in hostel involves them in activities like yoga, music, sports etc. The college hostel are equipped with 24 hours electricity and water supply, first-aid and in-house doctor facility. The rooms are airy and well furnished. The hostels have facility of security with armed guards. Hygienic, Delicious and Nourishing food for residents. Laundry facility is also provided in the campus.

## PLACEMENT

Training and Placement Cell of our college provides best possible opportunities for the budding students to get suitable jobs.

Ongoing counselling throughout the year by the members of the cell make students strong enough to face the challenges of the competitive world.

UG & PG students of our college appear regularly in various competitive examinations conducted by state and central government like CDS, AFCAT, FRI. Leading national & multinational companies are invited for campus interview.

College had also tie-up with MAX super speciality hospital, Drishti Eye, & Suri Diagnostic Centres, Dehradun where students get their practical training by the expert specialised doctors. Team of experts and members of our cell working constantly for the other opportunities. We are happy to record that our student are working with leading companies and hospitals like Fortis, MAX, Apollo Hospitals, Medanta, Dr. Lal PathLabs, Advanta, Apex Hospitals & many more. The focus of the cell is to strike a match between recruiter expectations and student aspirations.

# COURSES
